Olympic Basketball

On Tuesday 12th June, Year 5 and a number of gifted and talented PE pupils were invited to the University of Worcester to watch a wheelchair basketball match between Great Britain and Spain as part of the preparations for the Paralympics this Summer. It was a closely fought match which was exciting to watch. The eventual winners were Spain who won by 4 points. The children thoroughly enjoyed the opportunity seeing top class sport and cheering the teams using inflatable beaters!

The Three Counties Show:

On Friday 15th June St. Barnabas Choir were invited by the Diocese of Worcester to open the proceedings at the BBC Hereford and Worcester Stand at The Three Counties Show. 24 children sang for half an hour which was much appreciated by members of the public. Some children were interviewed by the Radio Station and their fathers had special mentions on H&W on Father's Day. Thank you Mrs Penwarden and the choir!

Ryan has been playing hockey every Sunday morning since September for Worcester Hockey Club. He plays for the U8s and has learnt new skills and met new friends. At the end of season presentations he won a 'Star of the Future' medal, out of around 50 children there were only 7 medals awarded so he did fantastically well.
